EDUCATIONAL HISTORY
VIS believes that open and honest communication between parents/guardians and the school is essential in order to best serve the students in our care. Please fill out the following information in as much detail as possible to ensure that VIS is ready and able to support your child.
Please describe your child's prior school experience. Please provide as much detail as possible.
Please describe your child's areas of academic strength.
Please describe any concerns you have regarding your child's social or emotional wellbeing.
Has your child received learning support services? If yes, please describe. This does not disqualify your child from enrollment.
Have there been any challenges involving your child's positive integration into school life? If so, please describe.
Are you willing to solicit outside educational support or counselling services for your child if deemed necessary by the school? If no, please explain why not.
Are you aware that regular attendance is expected in order for your child to reap the full benefit of our programme? This means that every effort should be made to take family vacations during school holidays and to organise extra-curricular activities after school hours. If you anticipate problems, please explain.

MEDICAL HISTORY
Please briefly describe any current or prior medical conditions affecting your child, including allergies, vision and hearing.
Please list any medications your child is currently taking. Additional documents may be required.
Vaccination from POLIO, MEASELS, RUBELLA
