PYP After School Clubs 2024-2025

Short description of each homeroom club.

Lego and Puzzle Club	Be creative and build lego constructions, follow lego challenges and build puzzles.
Fibre Arts Club	Join the Fiber Arts Club to learn knitting and crochet or work on your own projects in a cozy, creative space! Whether you're a beginner or experienced, you'll find a welcoming space to work on your projects. We provide some materials and tools to get started!
Drama Club	Use drama and imagination to play games to build confidence and collaboration, along with script reading, acting skills and acting!
Clay Play	Students build skills in language development, problem-solving, fine and gross motor development, social skills and mathematical concepts by making and creating with salt clay.
Mandarin Club (Beginners)	Learn mandarin with Ms. Krista!
Digital Writing Club	Learning how to use Canva to publish projects digitally. Create movies, websites, blogs, adverts, invitations, infographics and more!
Games Club	Various types of games, rotating each week. Usually begins with a collaborative game and then shifts to one of the categories: board games, card games, challenge activities, etc
StoryTime	Relax after a hard day of learning with a story or two followed by a form of creative expression.
Explorers club	Students will explore different countries of their choosing each week.
Mindful Coloring	Relax at the end of a full day of learning with some mindfulness through the art of coloring while listening to relaxing music.

*Hip Hop, Singing, and Ballet are offered at an additional cost.
