

**VIS AFTER SCHOOL PROGRAM FOR GRADES 6-12  
2024-2025**

**Activities are divided into three categories by grade levels::**

- Subject learning labs (curriculum extension): where students are invited to attend and learn more content in the subject
- Subject support sessions: where students can receive one-on-one support, use time to ask questions on a learnt content
- Clubs/extracurriculars

Bi-weekly programs with learning lab topics will be announced to students through TVs at school and bulletin boards.
